## Meet our Baristas

Olivia

I've been in the coffee industry for 3.5 years now, & I just love it. One of the main reasons I'm so passionate about coffee is the creativity involved. My personal favourite is a simple flat white.

Christina

I love being part of the crew at the 1867. Being able to bring a smile to people's faces through crafting coffee, hot chocolate and cocktails is something that motivates me every day.
