Why 'the 1867' and why COFFEE. FOOD. FRIENDS.?

And the 'get-togethers'?

The original farm, here at Heart of the Shires Shopping Village, was built in 1867 by local stonemasons, who would have been working on the Grand Union Canal bridges too, we suspect, just a few minutes away.

If you take a look around our lovely shopping village you will see what we mean. The creativity with the brickwork you will unlikely see anywhere else.

So, we thought we would celebrate the stonemasons of that time – **hence the 1867.**

The **COFFEE** is self-explanatory – we are passionate about our coffee.

Our guests tell us they love our coffee & are often fascinated with our method of creating good coffee – from where the coffee beans are sourced, to how the beans are grown, to grinding, 'dialling in' & the amount of time it takes to actually make a good coffee.

Why **FOOD**? Because we love a treat too & often ask our regular guests what treat they would like. Our food is created & made fresh, with the very best ingredients, sourced as locally as possible with appropriate portion sizes, presentation & so on.

Guests are very welcome to talk to our kitchen crew about any dietary requirements – our crew understand how challenging it can be when you are eating out.

Now **FRIENDS** was interesting. We are a very friendly, sensitive bunch & we come to our eatery, our 'home', every day to serve FRIENDS – it was that simple. *'Kind people, are our kinda people.'* We want our guests to leave, feeling much better than they did when they came in.

We arrange bespoke 'get-togethers' too, for all sorts of occasions, large & small. The 1867 is an ideal & convenient destination for a treat, any day of the week.

Ask a member of the crew if you want to discuss anything about coffee, their food offering or a special occasion.

**Enjoy your visit
from your friends
at the 1867.**
